Motion for Summary Judgement

This is to inform the court that sometime ago a previous Motion for Summary Judgement was filed, denied and my case just simply ignored. I have heard one word from opposing counsel. Therefore I again seek the sum originally sought for pain, suffering and future medical bills... \$1,000,000 (one-billion-dollars). I was once told by a former opposing counsel "prove your allegations" - that's up to Munley to set the trial date so I can't do anything about it. Now, as the victim of a most malicious assault I have no other choice but to seek immediate relief from this motion, filed, but ignored.
